Suffolk Delegates Meeting held at Felixstowe Golf Club on
Friday, 30th May 2014

1. **Apologies:** Received from Ann Graves, Laura Lowe, Sue Cook, Rookery Park, Seckford & St. Clements.
2. **Minutes of the last meeting:** Agreed.
3. **Matters arising:** None.
4. **Suffolk Golf Day - Chris Lynch-Bates:** Entries from 31-teams were received & accepted within 3-days of the entry date. Due to the event being over-subscribed so quickly, Chris would like feed-back from all clubs to ascertain whether there is a demand for two Suffolk Golf Days to be run in the same year. Various suggestions were made at the meeting but whilst these were well received Delegates' are requested to formally sound out their club members & revert to Chris: karen.korzack@live.co.uk .
5. **Inter-Club County Competitions:** All progressing satisfactorily. Bury asked whether there should be a lower handicap limit set for the Jubilee Shield. Whilst the meeting did not support, this issue will be discussed at the next GB meeting. Buggy use was clarified.
6. **England Golf:** Next Meeting July 2014, so nothing to report. However, at Regional Level, all entries for the Senior Championship should be received by the Organiser by 21st June 2014. Australian Spoons & Girls Championship entry forms are available from the county website.
7. **County Cards:** Hermione advised, 68-ladies have so far availed themselves of County Cards & the position will continue to be monitored.
8. **100-Club:** The draw was made & the results will be published on the County Website. If any members wish to participate, they should contact their Club Delegate. The GB thanked the 100-Club Members for funding the Red Cross First Aid course, which was attended by 13 Suffolk Ladies. If any clubs are looking for an interesting day for their members in the winter then this could well hit the spot.
9. **Website:** There is more to the Website than just seeking competition information. Please checkout & contribute, photos, anecdotes etc.
10. **AOB:**

Taster Session: Bury reported their Taster Day was attended by 80-ladies of whom 40 signed up for a 5-lesson course. Any clubs seeking feedback should contact Viv Kemp direct: vivkemp@aol.com .

Thanks: Were extended to Chris Lynch-Bates for attending, Felixstowe Golf Club for hosting & the Delegates' for journeying to the seaside!!
