

SUFFOLK LADIES' COUNTY GOLF ASSOCIATION

COUNTY INTER-CLUB KNOCKOUT COMPETITION

CRANWORTH TROPHY – 2018

A Match Play competition played off handicap. A team shall consist of 6 players, selected from a squad of 8 players, each player having a handicap within the range of 21 - 30 inclusive. Current Handicap Certificates of all players must be produced on the day of play.

NOTE:

A Club may field a player with a handicap of 31 - 36 but she must play off 30 on the day.

A Player whose handicap has dropped by no more than 2 shots below the lowest handicap limit (minimum handicap of 19) is permitted to play in later Rounds (**off her current lower handicap**) **PROVIDED** that she has already played in the Preliminary or 1st Round (whichever is her Club's earliest Round).

Organiser: Mrs Irma Suttle

Email: trinigirl665@gmail.com

COMPETITION GUIDELINES apply – See separate sheet

SPECIFIC RULES

1. All matches in the rounds up to, and including the Semi-Final, will be played at neutral venues. The neutral venue for each match will be determined to reduce travelling times as much as possible – venues will be shown in red. The Final will be played at a neutral venue, as arranged by the Organiser.
2. Matches will be drawn on a “Home” and “Away” basis (see Draw) - H will designate the Team that will be responsible for liaising with the neutral venue (at which they will be playing) to arrange the catering (both lunch and after the match) and keeping their opponents informed of choice/price etc (exactly as they would if they were playing at Home).
3. **Morning Round:**
Foursomes played off ½ difference of combined handicaps of each side. Any team order of play is permissible.

Afternoon Round:

Singles played off full handicap allowance. The match list for the Singles must be in order of 'playing handicap' (those playing off the same handicap may be played in any order). By agreement the Captains may change the order of play but not the pairings.

Note: Should a Singles player play out of handicap order their game will be forfeited.

4. All games (3 in the morning and 6 in the afternoon) shall be decided over 18 holes (halves to count) – 1 point for a win and 0.5 point for a halved game. The team gaining more than half of the 9 points available will be deemed the winner.
5. If an overall result has been reached (5 wins) Captains may agree either before play or when a result has been reached that all remaining games shall be halved. If the captains are not in agreement, the captain/player(s) who wish to abandon play should concede their games.
6. In the event of an overall tie, the Captains shall nominate one player each to play sudden-death, by the toss of a coin to determine who has the honour on the tee.
7. Should a player be unable to complete their game (morning or afternoon) after play has commenced, the score should be as though the player unable to continue had lost every hole that they didn't play (the substitution of two players is allowed following completion of the morning foursomes) – see Competition Guidelines 2017 No. 11).
8. In the event of Course closure, necessitating the abandonment of the match, the result shall stand at the score after either:
All singles games have completed at least 9 holes of the afternoon round, with the result for each game being determined at the time they finish playing
OR
All the Foursomes games have been completed.
9. In the event that there are queries regarding the Rules of golf (as opposed to the Competition Rules), the following telephone numbers may be of use:

Eunice Gray on 01473 659091 or 07919 414141
