GENERAL COUNTY COMPETITION CONDITIONS

(For all Individual and Foursomes Competitions)

1. Entries must be accompanied by the relevant payment and will not be accepted after the closing date.
2. The handicap limit of any competition will be the player's Handicap Index. For all individual competition's players will receive 95% of playing handicap and for teams of four 85% of individuals handicaps.
3. If, after entering a competition, the Handicap Index of a competitor is reduced below the minimum Handicap Index permitted for that competition, the competitor may still play in that competition. However, she will be eligible to win handicap prizes only and not scratch (gross) prizes.
3. If, after entering a competition, the Handicap Index of a competitor is increased above the maximum Handicap Index permitted for that competition, the competitor may still play in that competition at the maximum Handicap Index allowance for that competition.
4. It is the responsibility of the competitor to ensure that her correct **Handicap Index** and her **Playing Handicap** is recorded on her score card before it is signed and returned to the organiser as soon as possible after completion of the round.
5. Starting times for all events will be posted on the SLCGA website. <https://www.suffolkladiesgolf.org.uk/useful-information/tee-times/>
6. A CDH Identification Number must be produced when **entering** to play. Failure to do so will render the member ineligible to play. Please note: A player MUST have submitted 5 valid qualifying cards, within a rolling year from the date of the competition, to be eligible to play in any county competitions, except the Haskell and Division 4. Failure will mean disqualification.
7. A player arriving late on the tee may be penalised under Rule of Golf 5-3.
Late by more than 5 minutes, disqualification.
Under 5 minutes late, loss of hole in match play and 2 strokes in stroke play.
Exceptional circumstances prevented you from starting on time, there is no breach of this Rule and no penalty.
8. A player may be penalised for slow play under Rule of Golf 5-6.
9. Competitions (with the exception to the County Championships) are open to all female amateur golfers - who either have a Home Club within Suffolk or who are an Associated member of the SLCGA - with a Handicap Index. Entrants to the County Championships must be Full Members of the SLCGA. Ladies entering the Division meetings must represent their Home Club when competing for the Division Shield.
10. Motorised golf buggies are permitted with there is a medical need. The GB will use the England Golf Transportation Policy as a reference guide. Players are required to submit the relevant form for the use of a buggy. [Buggy request form](#)

11. Distance Measuring Devices may be used in all County Competitions, including County Match Week. They may be used to measure **distance** only; all other functions ie wind speed, slope etc **must** be disabled.
12. Caddies are not permitted in any Divisional Meetings, Coronation and Centenary Foursomes or Junior Competitions. Caddies are permitted for the Championship competitions. Professional golfers are not permitted to caddy in any County Competition. It would be greatly appreciated if caddies do not go on the greens.
13. All venues are by courtesy of the host Club. The dress rules of the Club must be respected.
14. Cancellations: 10 days' notice must be given before a refund will be given.
15. It is the intention of the SLCGA that all ladies, following the above conditions, who apply for the County events will be accommodated. In the case of over-subscription for Divisional and Foursomes Meetings there will be a ballot for 3 entries from each club followed by a further ballot for additional places. In the case of over-subscription for the Main and Seniors Championship, the ballot will be based on handicap.
